

Nuevasync Services

Free Service

- Synchronize calendar events to and from Google Calendar.
- Synchronize contacts with either Google or Yahoo.
- Limited to 11 calendars and events up to two weeks in the past, and the infinite future.

Premium Service

Premium service users add the following capabilities for \$25/year or roughly \$2/month:

- IMAP/GMail [Push E-Mail Sync Service](#)
- [Remote Wipe](#) your lost or stolen phone
- Sync tasks with [Toodledo](#) or [37Signals Highrise](#) if you have a compatible device (Windows Mobile, Palm, Nokia).
- Select up to 50 calendars to sync (if you need more, just ask).
- Past events and Email sync up to device limits.
- Meeting invitation emails are [converted to and from the device format](#) .
- Extra data safety with [Contacts Capture](#) .
- Windows Mobile users can manage multiple Google calendars device-side with [event categories sync](#) .
- Use servers dedicated to the premium service.
- Enjoy priority technical support by Email and help with device configuration.

How to get Premium Service

To get premium service we recommend that you sign up for a free trial. Trial accounts can be upgraded to permanent subscriptions at any time. Existing users should click the "Try" link at the top of the main page on our [web site](#) . If you don't already have an account, just [sign up](#) for a free Premium Service trial account. We recommend verifying that your device is correctly configured and syncing before upgrading to premium service.
